**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have chosen Sonic. Net as my provider for many years and Inam so grateful. . It is wonderful to be able to support and communicate with a local provider. Previously I dealt with several big companies who were not helpful and never available to assist with problems. Broadband is critical to our daily lives in our work and lives. I rely on reasonable rates since I am a retiree on a fixed income. . Please dont allow these big companies to increase our rates that bite into our income for living.
